

SCOLIOSIS ASSOCIATION UK

A Guide to SAUK Membership

Thank you so much for deciding to join Scoliosis Association UK (SAUK) as a member. We're a small charity and as such we would struggle to survive without the support of our membership network.

Membership costs just £15/year, or £25/year if you are a non-UK resident. If you select 'full membership' your contact information may be shared with other members. The information we hold about you is kept securely and in accordance with our Privacy Policy and is GDPR compliant. If you would like to see if there are other members in your area or members who have shared experiences, please email membership@sauk.org.uk.

You can also join our [private Facebook support group](#). Thousands of parents and patients are part of this group, making it a great place to go to for support and advice.

As a member you will:

- Receive copies of our magazine, Backbone, twice/year
- Receive priority invitations to our patient meetings
- Be eligible to apply for the Hill, Pedder and Minns Fund
- Have access to a members-only section of the SAUK website with premium content
- Have access to online Q&A sessions with experts
- Be able to request the contact details of other members
- Be invited to support group meetings in your area

Patrons:

Her Royal Highness Princess Eugenie; Pippa Britton and David Rintoul.

Chair and Co-Founder: Stephanie Clarke PhD.

Scoliosis Association UK is a registered charity no.1181463.
